

Help Restore the Environment and Grow Your Career!

Job Opportunity: Sustainable Landscape Technician
Location: Manheim, PA
Position: Full-time (part-time may be considered)

At LandStudies, we're leading the way in environmental restoration. We're not your typical landscaping company; we transform landscapes into thriving ecosystems. Since 1989, our work has directly contributed to sustainable water resources and natural habitat restoration in our community.

Why LandStudies?

- **Impactful Work:** Be part of a team that creates lasting, positive change in the environment.
- **Competitive Pay:** Earn **\$19 to \$25 per hour**, with opportunities to work on projects paying prevailing wage (typically **\$35 to \$75 per hour**). Overtime available at time and a half.
- **Average Annual Earnings: \$38,000 - \$52,000** (contingent upon workload, project funding, and hours worked).
- **Benefits:** May include health benefits and paid time off.
- **Growth Opportunities:** We invest in your development with ongoing training.
- **Team Culture:** Join a supportive, mission-driven team dedicated to making a difference.

What You'll Do:

- **Landscaping Duties:** Installation and maintenance of trees, shrubs, and perennial plants; seeding in lawn, meadow, and floodplain settings; spreading mulch; topsoil grading; etc.
- **Erosion Control:** Installation of erosion control matting, straw mulching, hydroseeding, etc.
- **Natural Areas Maintenance:** Invasive species control, meadow mowing, brush clearing, etc.
- **Equipment Operation:** Ability to operate hand and power equipment such as rake, shovel, string trimmer, blower, and chainsaw is preferred. Operating heavy equipment such as tractors, skid loaders, and excavators may be applicable.

What We're Looking For:

- **Passion for the Environment:** You care deeply about sustainability and want to contribute to a healthier planet.
- **Experience and Skills:** Experience in landscaping, horticulture, and/or environmental science is preferred. Small and heavy equipment operation, mechanical skills, and plant identification are a plus. Overall, we value your enthusiasm and willingness to learn.
- **Physical Fitness:** You're comfortable working outdoors in various weather conditions and can lift and carry up to 50 pounds regularly.
- **Team Player:** You enjoy working with others and can communicate effectively with team members and clients.
- **Driver's License:** A valid driver's license is required (experience pulling a trailer is a plus).
- **Must be 18 years or older.**
